## Fish slapper

Out on a walk round the lake, my skimpily-dressed missus Linda decided to give an angler a real shock!

I started to rub her pussy, pulling her thong to the side so he could get a good look at her now cunt. She was now soaking wet so I stuck two fingers up her and had her squirting all over my hand in seconds. By now our new friend had joined me and grabbed Linda's arse and tits as he watched me fuck her with my fingers. I then let him take his turn and he quickly stuffed his fingers up her sopping snatch.

He asked if it would be okay to have a suck on her big pussy lips. I told him to help himself and he was soon making her come again and again straight in to his mouth.

Linda then announced that she needed some cock and demanded we get them out.

She knelt down in front of us and began to wank and suck on our two throbbing members– she even tried to get is both in her mouth at the same time!

The stranger grabbed her hips and thrust his fat cock deep into her pussy causing her to moan out loud as she washed his straining balls with her cum. She grabbed my cock and told us to fuck her at both ends, which we gladly did.

Watching her take two cocks at the same time was too much for me and I was soon wanking my dick into her open mouth.

The sight if this set our friend off and he grunted as he shot his spunk deep up her orgasming pussy.

We are up for some more outdoor fun! Hope some of you readers are too.

## Whore door snatch back

Recently, I was treated to a new car by my fella, Dave. On the day I went to pick it up, the salesman, who was called Tony, brought it round to the forecourt. He was your typical 'cheeky chappie' salesman and looked immaculate in his smart suit, shirt and tie and smelt of very expensive aftershave.

He insisted I try the seat out in various positions so he could advise me "if I was seated correctly" – I had already sussed that he was much more interested in seeing my legs as I got in and out of the car.

I duly obliged, making sure he had a good eyeful of my stocking tops as I did so. He didn't acknowledge that he'd seen my slutty stockings until we walked to the office to complete the final paper work. He then said if I would

## I was looking forward to a throat full of salty cream

let him treat me to lunch he would set me up with some free car mats!

"Do you think I'm that cheap?" I joked, but I accepted anyway as I knew Dave would find it both amusing and also a huge turn on that this young salesman had been trying his luck to get into my knickers.

We drove out to a pub in the Dales and, after sharing a bottle of wine, Tony admitted just how much of my thighs he really had seen.

He also said he'd seen a lot more of me a while back in a copy of *Escort* a few years back with a couple. I knew exactly who he meant – a sexy couple called Tom and Nicole who I had spent a weekend with and then sent the resulting pics into *Escort*. (Where are Tom and Nicole now? I miss them!)

The bottle of wine and knowing that Tony had seen my *Escort* pictures had got me quite horny. When he cheekily asked me I would let me him take a few photos I was very turned-on and followed him out to the car.

I was really excited as he drove us to a quiet county lane, so keyed-up that by the time we arrived there my thong was already damp from my pussy juices.

We started with me acting out the various poses that he was suggesting until I got bored and went to sit on my car and watched his face as I opened my legs.

Seeing that his cock was now struggling to burst through his flies, I beckoned him over to me. Looking up at him I smiled as I unzipped his hot throbbing shaft.

His cock was thick and hairy and was already leaking pre-cum as I engulfed as much as much of it as I could with my mouth.

Tony slipped his camera into his pocket and ran his fingers through my hair as he gently fucked my face.

I was looking forward to a throat full of his salty cream, but just as I thought he was about to explode, a tractor came hurtling down the lane. Tony hurriedly jumped into the back of the car, and when the smiling farmer had passed I joined him.

He slipped his trousers down to his ankles as I sat astride him. I was now totally wet through and gasped as I felt the whole of his long fat cock thrusting up my grateful pussy, I couldn't stop myself from moaning out loud as he frantically sucked on my nipples as we shagged each other hard and fast.

It didn't last as long as I would have liked, but it was fucking lovely! I think he was already cumming as he thrust his forefinger up my arse.

That took me over the edge to a pulsating orgasm as he emptied his balls in my hole before we both collapsed in a sticky heap.

What a way to christen my new car! Sometimes, I still think of Tony when I drive it.

# SWINGERS' DINNERS

**The Ledbury**
**London W11**

## Julia Jones tries not go down like a Led balloon in poncey Notting Hill

After an enforced halt to gorging myself on fine food, meaty cocks and succulent pussy at the expense of the company (there was some confusion as to whether I should be able to claim for a stomach-settling Burger King at London Bridge station) last month, I returned to perhaps my ponciest meal of this series so far. The destination was the Ledbury, a two Michelin-starred restaurant in Notting Hill.

I had been wanting to go since I read that when, invaded by masked rioters in the summer of 2011, staff used saucepans and spatulas to fight them off, hid robbed and terrified customers in a cellar and gave them lots of complimentary drinks. Well, in a place like this I might normally appear to be on a mission of rape and pillage, but I'd lengthened my skirt and told my current squeeze, photographer Dave, to leave his balaclava at home – we were going to sample how the other half ate without the aid of a bicycle chain.

THE MILLE-FEUILLE OUTDID GRAVITY. LIKE DAVE'S COCK

Top marks to a pre-starter of chilled basil and courgette, a palate-cleanser more efficient than the two gin and tonics we had started with.

A starter of buffalo milk curd and a broth of grilled onions was earthy but underwhelming. The Saint-Nectaire and truffle toast on the side, served on a log, was divine. But then, my truffles normally come from Thorntons. Phil's grilled mackerel with avocado, celtic mustard and shiso is the Ledbury's stunning signature dish, fresh, appetising, perfectly balancing unusual combinations.

Phil's lobster with fennel was on the verge of still twitching but at least someone had avoided embarrassing him with a lobster picker, huge, tender tranches of meat already disgorged from the shell. My beef (short rib braised for eight hours and firm tender quadrilaterals of fillet) plunged to an Atlantis of intense meaty savouriness.

Desserts were less memorable, although a mille-feuillle of mango, vanilla and kaffir lime seemed to outdo gravity. Much like Phil's cock, which he had told me might need the Ledbury's staff to come and bonk it on the head if we didn't leave soon. Impeccable service meant they left that to me.

# REAL WIFE SEX

Jolene, Surrey

## Jolene goes against the groin by being as much into voyeurism as her pervy fiancé

Blokes like to watch, but it's not just blokes. Recently I got to see my fiancé, James, screwing around with another couple. Over the six months before we'd done a bit of swinging, usually going to a party together, doing our own thing, then meeting up when we were both ready to go home.

This time, I started out watching a couple fuck, then went off looking for a bit of action of my own. Before I found it, though, I came across James getting friendly with another woman. He gave me a grin and a wink, then carried on – he knows I like to watch and that if I wanted in on the fun I wouldn't be scared to ask!

**He ploughed her spunky snatch**

I found out later the woman, Yvonne, and her husband, Doug, had been getting down to it, with her kneeling up on a chair, but as James had walked by, she'd called him over, and a few seconds after her old man had cum, James had been ploughing her spunky snatch.

Our hosts always took their parties seriously, with condoms, lube and toys all over the place for anyone who needed them. So now I grabbed a chair and a vibrating dildo, and sat down to watch the fun. Yvonne, was sucking Doug's cock. He was a big, hairy bloke and she was taking him so deep down her throat that her nose was lost in his thick pubes. I could see her breathing in really deep, probably enjoying the scent of her cunt-juices, which were soaking them, after their earlier fuck.

Doug was grabbing the back of her hair and she was moaning, perhaps enjoying sucking him off too much for James's liking. He was meant to be the guest, the star of the show, so he held her tight by the hips and started banging in even harder. Yvonne reacted by letting

# SLIPPY SECONDS!

her hubby's cock slip out, and telling James to get in front of her. She'd felt the power and size of his prick and now she wanted to take a look at it – and more.

He was happy to oblige, although I saw him thrust in deep and stir it around one final time before pulling out again. Yvonne was grinning all over her face – forget happy as a dog with two cocks – she was no dog, but she was a right dirty bitch with a pair!

The fact her pussy had been so well fucked just minutes ago, made it look all the more empty now. I wondered if I should step in and dildo it, but my own need was even greater! I ground it in hard and not too fast, just how I liked it, and kept on watching my live sex show.

Fuck me, that woman was insatiable, totally shameless! Her pussy was running with creamy juices and she was just as wet at the other end, dribbling over whatever cock she was sucking, then switching her mouth over to the other one while she gave the first a spit-lubed wank. Then, at one point, she was holding them both like ski-poles, rubbing the swollen crowns of them with her thumbs as she decided how to use their big shafts next.

**She rubbed their swollen crowns with her thumbs**

She told James to sit down on the chair. She lowered herself onto his lap, facing in the same direction as him. Then she rubbed his prick teasingly against her arsehole – he loves anal and would have probably shot his wad right away if she'd let him do her up there. But she swiped it forward and slipped it in her cunt.

As he thrust and had a good grind inside her, I had the toy deep in my snatch, frothing up and forcing out my juices. Yvonne's teasing had given me ideas, but it felt a bit too big to take up my arse right away, so I just settled for a bit of pussy pleasure.

Doug was playing with himself, too, wanking right in Yvonne's face, but he did let her take a little lick at his oozing helmet, just enough to really keep her on the boil.

Now he ran the tip of it down over her belly, painting a little trail, then started using it against her clit. James just sat there, impaling her snatch deep, as her husband helmet-frigged her to orgasm. For all the hardcore detail that was plain to see, I couldn't take my eyes off the total ecstasy on her face. I know how satisfying a fucking from my man's cock feels – this woman just had to cum soon, and I could see it building up.

## Bit of a cuticle

My friend Janine is a "nail technician" – a poncy way of saying she does manicures.

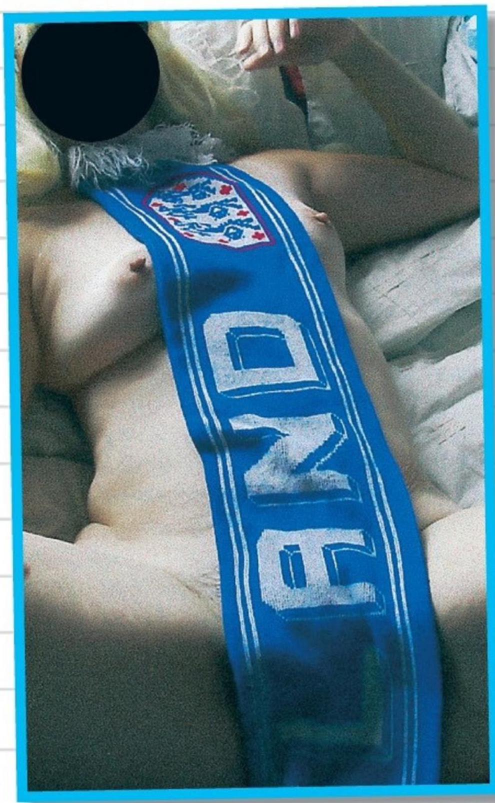
To be fair, she's actually brilliant at it and when she started seeing an amateur photographer, he offered to take pictures of her work for her to show people.

She reckons I've got nice hands so she asked me to be her model. I suppose the pictures were a bit clichéd, with me holding a red apple when she did my nails scarlet and so on, but the photographer fancied getting something a bit edgier and so did Janine.

The French manicure she did on me – white nail tips – was gorgeous, but the point of it is to be subtle – a bit boring, I suppose.

We'd been bantering – Janine calling the colour she used on my nails "pussy pink", and me telling her my pussy was much pinker than that! And Luke, the snapper, was joining in too. Suddenly, he asked the both of us what our nipples looked like.

Janine gave me a look, like what sort of perv was she dating, but he explained he'd got an idea for a picture. "OK, you're the artist, who are we to argue?" she said, and got her top off. I did the same. I'd had a couple of wines, and Janine was getting stuck into the bottle now she was done with the fiddly nail-painting.



He had this idea of a close up of my hand cupped round a tit, with the nipple sticking out between two of my fingers. I could have fondled my own, but Luke decided Janine's toned better with the nail polish!

I felt a bit awkward at first, but once it began to feel more normal, we had a bit of fun – there's even a few shots of me pinching Janine's nipple. Luke'd had me thumbing it, to get it hard, and everyone was getting a bit excited.

Now he decided he wanted a pussy picture – Janine's again. As a beauty pro, she always gets her bush completely waxed off. I've shaved mine once or twice but hers looked well cute, and her skin felt so smooth under my fingertips. Her crotch was warm and I could tell her hole was juicing up a bit. Luke snapped off a few shots, then asked me to spread her labia apart. I just scissored two fingers, slipping her lips sideways to expose her clit and crease.

Janine and Luke had only been together about a month, so they were still at that all-over-each-other stage. Now that we were taking a break from the pictures, they started snogging, Luke's hand straying in between Janine's legs. She went to drag him off to the loo, but I said sarkily, "So I'll just look after myself, shall I?"

Right after that I ended up in a clinch with Janine. Luke made a half-arsed effort to snap a few pictures of us, but she told him, "Put that fucking camera

**She wanted me to demonstrate a blow job on his cock**

£120

down and bring your cock over here."

When we'd been younger, I'd told Janine what a blow job was, and shown her how I did one, using a carrot! Now she wanted me to demonstrate on Luke's prick.

He had a big salty length on him, and his balls were shaved, so I got to work with my lips and tongue.

He was soon groaning away, but wanted to see me and Janine get it on. I tingled all over as her finger crept into my slit, and then she shuffled under me, lying on her back with her face under my pussy.

I ground myself down on her mouth, taking her tongue as deep as she could jam it in me, juicing and cumming into her mouth as I gobbled her boyfriend's cock.

All this fun was too much for Luke, and it hit him quick. He started to say he thought he was cumming, but he was already flooding my mouth with his spunk. I swooshed it around his helmet, then swallowed it all.

I haven't made a habit of getting into threesomes with Janine and Luke – I don't want him liking me so much it pisses her off.

Janine's favourite pics are ones she took herself, of my hand wrapped around Luke's tackle, and of him spunking all over it

## Flash-tastic foursome

Well, it's been a while since we last wrote in to *Escort*, but we just wanted to let you know that we still love to take photos of me flashing to all those horny lorry drivers.

It was a Friday morning and my husband and I decided we'd make a day of it.

I was so turned-on as we got ourselves ready. I was dressed to excite with a red and black bra that let my nipples peep through, with a matching suspender stockings set. It was all topped off with a fanny-flashing thong, high heels and a full length mac.

Our main intention was to find places to take some more naughty photos. And we quickly found the perfect spot – the gate to a field on a busy country road.

As David couldn't wait to get my mac off we got to work, taking as many shots as possible as traffic zoomed past.

Another car pulled in to the gateway and a couple got out, obviously of the same mind.

The woman was very pretty with dark hair and long legs. She was dressed to thrill in a tight blouse and miniskirt that I later learned had some very sexy undies underneath.

After we had made some small talk, we all decided that there was some sexy frolicsome fun to be had!

We started with photos of us two ladies getting to know each other more intimately by slowly and seductively helping each other out of our clothes.

This led to a lot of caressing of each other's bodies which was making the men very obviously aroused.

They started to take it in turns to take photos of us. I looked over and they were both smiling broadly looking very happy with their huge hard-ons straining to get out of their trousers.

After some more teasing of the boys, we decided to exchange numbers so we could enjoy some more photo shoots as soon as possible!

David and I ended the day by going out for the evening. The taxi driver got an eyeful when David eased my legs apart and let him get a look up my naked fanny.

What a day – it was all rounded off nicely with a steamy shag when we got home!

# NESSA

**Naughty Nessa (21) from Birmingham gamely took part in her first ever photo shoot for Escort. It was freezing cold and raining, we were late, but Nessa took it all in her stride. "Doesn't matter you were late, lads! I've been occupying myself – no problem! Now, unless I have to wank myself to keep warm again, can we get started?" We just couldn't wipe the smile off her cheeky charming chatterbox's face – just like you won't be able to get the cum out of your curtains after feasting your eyes on the lascivious lovely.**

# REAL WIFE SEX

Jolene's story continued from page 19

She bit her lip, her tits trembling as she tried to hold back and string out the pleasure. Then she grabbed Doug by the shoulders, clawing at and pushing off them as she mashed her arse against James's crotch. Doug just kept rubbing his cock against her clit, until she was moaning and squirming around, cumming like there was no tomorrow.

Doug had glanced over at me a couple of times, obviously liking what he saw. I've known some blokes get gobby, acting as if playing with the dildo is just foreplay to me, making out they're doing me a favour when they offer me some real cock. He was too sussed and too much of a gent for this, but he asked me would I help him deal with all the friction he'd built up, given that his wife was otherwise occupied.

**He impaled her while Doug helmet-frigged her**

I thought James was wrapped up in fucking Yvonne, but he was still paying attention, and told me to go for it. Not like I needed his permission, but because he wanted to see me take a shagging too.

Doug positioned me doggy-style on the floor, with the dildo still wedged up

my cunt. He fucked me with it for a few pushes, and then I felt something cold and wet on my arse – some of the lube the hosts had put out. He pulled the dildo from my snatch with a wet plopping noise, then eased it slowly up my bum, fingering my clit so the sensation in my arse wouldn't feel too intense. Once it was jammed in me to the butt, he started sliding his knob up my cunt.

It felt so tight – he was pretty well endowed, and the mock-cock filling my arse was taking up space. I was moaning, whimpering – I couldn't keep quiet, and once I started cumming I just carried on with it.

In front of me, I watched my man's cock slam into Yvonne's hole. I gave her clit a tickle – I think it made her cum again. Then, unexpectedly, she hauled herself up off James's knob, leaving me free to grab hold of his shaft and take his load in my mouth. He must have shot a few spurts up her too as I saw it run out of her snatch, so I scooped it up with my fingers and swallowed it down too.

James and I were so knackered from all the fun we'd had this time around we didn't even get to shag when we got home!

# SANDRA

“Great sex is about chemistry!” insists Sandra (21 and from Pontefract. Yes, we think it always goes off better with a nervous system pumped full of pharmaceuticals. But goody-goody Sandra doesn’t mean you have to be high for sex to work. “It’s the little things that do it for me – the nape of a neck, a smile, the hair on the back of a man’s hands. My stomach goes funny and my pussy gets all wet. Nothing will stop a great shag now!”

## Toy story

Sex toys have been my passion ever since someone got me a vibrator for my 18th, just for a laugh, so I've built up a fair collection since. I got my favourite multispeed vibe and even this little buzzing butt plug.

My best mate Sarah, is a right pain in the arse when she's in between boyfriends. One night a few weeks back, she got off her face and moaned to anyone who'd listen that she wanted a big hard cock in every hole and didn't care who she took it from.

Well, I thought. We'd soon see if Sarah really wanted fucking in all her holes.

I held the vibrator up for her to see, switching it on. Her eyes went wide, but she didn't say no, so I brought it down and started playing it over her labia. They were closed around her clit, so I just tickled it through them, but then I slipped it in between, so I was touching it directly.

Her hips started moving, fucking against it, and I asked her was it good. She nodded and groaned with her mouth still full of the dildo, so I told her it'd feel even better with a mock-cock in her hole.

I grabbed the dildo I'd originally thrown to her, teasing the tip of it into her hole. Then I pulled it out, sucking on it, calling her a dirty tart for how wet she'd got. She was definitely wet enough to take it in one thrust, and soon I was fucking it in and out of her.

I got her thrashing round on the mattress, then quickly pulled it out, and dipped the butt-plug in her hole to wet it. For the first time since we'd started, she pulled the dildo from her mouth and moaned. "Not that one. Stick the big one up me again."

I ignored her and skimmed the butt-plug down to her arsehole, hearing her let out a gasp as it slipped up her. Then

## Oil be bare

Arriving home from work, I heard my wife shouting from upstairs to say she was waiting for me to give her a nice massage.

I walked into the bedroom to find her lying naked on her back with a bottle of baby oil ready beside here. "Don't talk, just massage!" she demanded.

I started slowly from her feet and worked up to the top of her thighs as she slowly parted her legs. Rubbing her moist cunt was getting me so hard. Cheryl could see this but told me to wait as it would be worth my while.

I started to rub more oil all over her ample tits and down to her belly, slipping down to insert a finger or two every now and then just to tease her. The more fingers I pushed in the louder she moaned and harder she pushed against them.

Just as I thought she'd finally let me fuck her she reminded me I hadn't massaged her back yet.

Cheryl, Berks

She rolled over and I rubbed slowly up the backs of her thighs until eventually I reached her gorgeous arse.

I let the baby oil run down her crack as she parted her glistening cheeks for me. Her anal bud looked so good I just had to lick it.

She must have enjoyed my tongue there as she quickly passed me her favourite vibrator and told me to push it deep into her cunt.

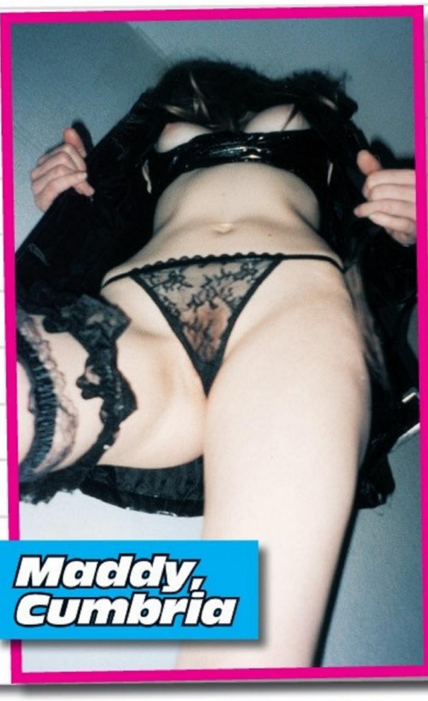
As I did so, she started to rise on to her knees pushing back as far as she could. I replaced my tongue with a finger and slipped it into her arse as I fucked her soaking

## I slammed it up her gaping arsehole

I squeezed the dildo into her fanny, and switched the butt plug to vibrate.

Now it wasn't so much a case of fucking her as keeping her held down on the bed before she humped herself off it – easy enough, when I was leaning over her to suck on her tits as well.

## I said it would feel better with a dildo



"No wonder your ex dumped you," I said, adding, "You must have exhausted the poor fucker!" before she could get too offended.

It's like she let something inside of her go, like she was finally happy to admit what a slut she was, and she just had me fuck her until her nerves couldn't handle any more pleasure.

I got to lick the dildo clean, though it didn't mean the start of a big lezzie affair. It just meant a big girlie shopping trip for sex toys, and obviously I indulged myself too, while helping Sarah to find something to keep her satisfied!

cunt with her vibrator.

Pushing my luck I put two and then three fingers in her arse which took her quickly to the brink of orgasm.

Close to orgasm and wanting more she looked back at me and told me to take my fingers out and to let my cock do the fucking.

I didn't need asking twice, immediately pulling my fingers out and slamming my rock hard dick up her gaping arsehole as she carried on fucking her cunt with her vibrator.

All of a sudden, she hit the point of no return and begged me to cum inside her arse. I carried on fucking her as hard and as fast as I could and within seconds I had shot my sticky load deep inside her.

She instantly exclaimed that we would be doing that again. And we have many times since!

*Cheryl, Berks.*

## Hot water

Fiona was a girl I met at work. One day over lunch, she told me she was bisexual. I wasn't sure where the conversation was going but I started to feel excited and wet. "I fancy you," she said and gave me her mobile number.

That evening I told my boyfriend. He was hugely turned-on. "Go fuck her," he said, "but tell me all about it after and take photos."

The next day was a Saturday. I rang her and asked if she would like to come round for a coffee that afternoon. Later, I sent a text saying the front door would be open and to let herself in.

Julie, Cardiff

I was in the bathroom and had already run a bubble bath. I heard the front door open.

When she reached the bathroom, I was sitting on a chair with my legs up on the edge of the bath with nothing on. "You like?" I said.

"What's not to like?"

She was wearing a miniskirt and a deeply plunging blouse.

A charge of electricity ran through me. She slowly stripped. Her body was to die for, like in my dreams.

"You've never had a woman before. Touch me." I started with her breasts. They were so firm and round. I stroked them gently and could feel myself becoming wetter and wetter. I started to suck them each in turn. Then I moved my hands down her body to her shaven cunt. This was all so new to me, so erotic.

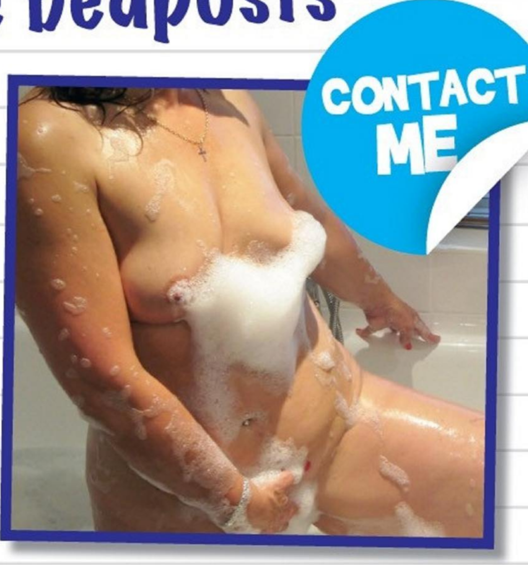
For the first time my tongue entered a woman and I started to rub her clit. She moaned and held my head closer so that I could lick deeper.

We kissed deeply, our mouths hungry for more. She started to touch me, caressing my tits and my cunt, and pushing three fingers into my pussy. I could feel the excitement building.

She suggested I get into the bath. I watched her go collect a bag she had brought with her and took out a huge double-ended dildo.

She joined me in the bath and started to edge the dildo into my cunt and hers. She shoved it in deeper and deeper. Our hips started to gyrate as we fucked. I screamed with pleasure. Then she made me kneel and stuck the dildo into my arse and into her cunt. I arched my back and frigged myself hard. It was heaven. We both came in seconds.

## She tied my limbs to the bedposts



In the bedroom, she tied my limbs to the bedposts and used a strap-on and nipple clamps on me. I came again and again.

When she was leaving, she said, "Do you want to do this more often?"

"Yes," I said. "But could my boyfriend join us another time?"

She smiled. "No problem."
